

# Putting the Heart Into Healthcare

## Your Path to Recovery Starts Here

Rockwell Park Rehabilitation and Healthcare Center, located in a peaceful northeastern suburb of Charlotte, North Carolina, offers the perfect balance of quiet residential living and easy access to the vibrant city life of Charlotte. Our serene setting provides tranquility while still being close to cultural and historical attractions, from museums to fine dining, all within a comfortable, moderate climate.

We understand that recovering from an illness or injury can feel overwhelming, which is why we foster a warm, nurturing atmosphere where residents feel secure and empowered. At Rockwell, we are committed to ensuring that you or your loved one receives the care and support needed every step of the way.

Our Rehabilitation Services are dedicated to empowering recovery and restoring independence. Whether you're recovering from surgery, injury, or illness, our team is here to support you in achieving your rehabilitation goals and optimal well-being.

Contact us today to learn more about how we can assist in your recovery journey.

## Welcome to Rockwell Park Rehabilitation and Healthcare Center

### Empowering Recovery, Restoring Independence

At Rockwell Park Rehabilitation and Healthcare Center, we understand that every recovery journey is unique. Our Rehabilitation Services are designed to provide personalized care, helping patients regain independence and improve their quality of life. Our dedicated team of Physical and Occupational Therapists, along with Speech-Language Pathologists, work collaboratively to create customized treatment plans tailored to each individual's specific needs and goals. As a proud member of YAD Healthcare, we are committed to making your rehabilitation experience both positive and impactful.

## Rehabilitation Services

-  **Activities of Daily Living:** Assisting patients with tasks essential for independent living, such as dressing, bathing, and grooming.
-  **Balance and Fall Prevention:** Implementing strategies and exercises to improve balance and reduce the risk of falls.
-  **Cognition:** Enhancing cognitive abilities through specialized therapies and activities tailored to individual needs.
-  **Communication:** Addressing speech and language difficulties to improve communication skills and quality of life.
-  **Dysphagia:** Providing assessment and treatment for swallowing disorders to ensure safe and efficient swallowing function.
-  **Functional Mobility:** Helping patients regain strength, flexibility, and coordination to perform daily activities with ease.
-  **Pain Management:** Utilizing various techniques and modalities to alleviate pain and improve comfort during the rehabilitation process.
-  **Seating & Positioning:** Customizing seating and positioning equipment to optimize comfort, posture, and functional mobility.
-  **Splints/Braces:** Designing and fitting custom splints and braces to support and stabilize joints for improved function and comfort.
-  **Wound Care:** Providing specialized wound care treatments and therapies to promote healing and prevent complications.

## Specialized Sub-Acute Care

Our specialized unit for sub-acute rehabilitation features daily physical, occupational, and speech therapy, all supported by an expansive gym equipped with state-of-the-art facilities. With a compassionate approach, we ensure that every patient experiences a comfortable and highly effective rehabilitation journey. We also focus on coordinated care for a seamless transition post-discharge, ensuring that our patients continue their recovery with the support they need.
